

Creating New Community Horizons

P1 Parking Lot at Westgate Center

24-Hour Construction Hotline: (602) 264-6416

July 14, 2016

PROJECT UPDATE

During the next two weeks, crews will:

- complete installation of electrical conduit and foundations for the new parking lot lights
- place concrete curb, sidewalks and driveway entrances
- complete placement of aggregate base course (ABC) material
- install the landscape irrigation system and water meter
- begin placing asphalt pavement for the new parking lot
- grade and cleanup along the west side of 91st Avenue in preparation for placing decomposed granite

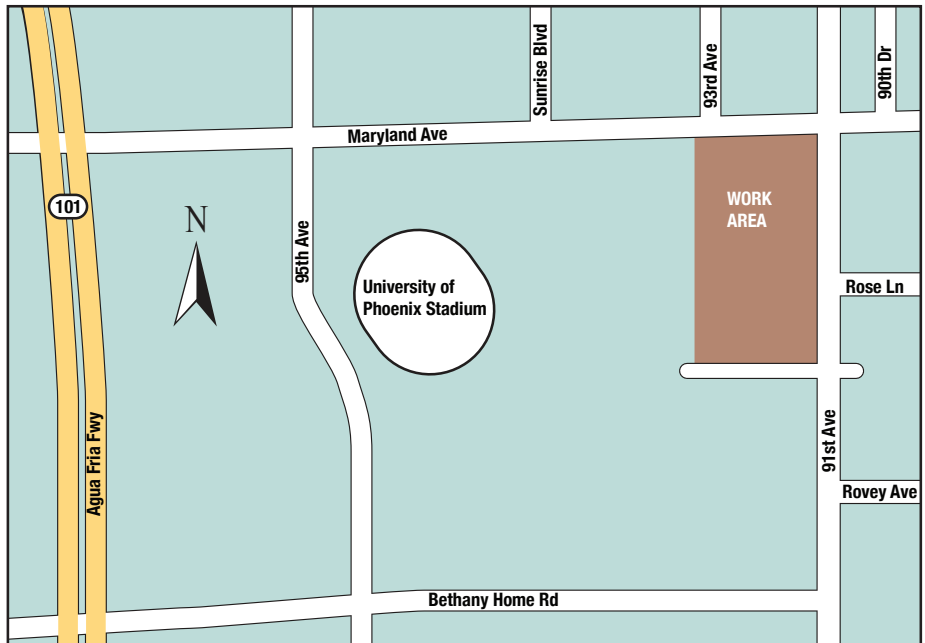

Please note crews will work extended hours from 5 a.m. to 6 p.m. on July 16, 17 and 23 to place asphalt pavement on the parking lot site.

PROJECT SCOPE

The city of Glendale is constructing a new parking lot on the southwest corner of 91st and Maryland avenues (the former Pendergast farm property). The new lot will add 2,700 parking spaces to accommodate the number of visitors and employees to the Westgate Center. Additional improvements planned for the new parking lot site include the installation of storm water basins, curb, sidewalk, lighting and a screen wall.

TRAFFIC RESTRICTIONS

The majority of the work takes place off the roadway on the parking lot site. However, there may be traffic lane restrictions during the construction effort. Access will be maintained at all times for residents, businesses and emergency vehicles.

Expect an increase in truck traffic entering and leaving the project work area during paving activities. Please allow extra time when traveling through the construction zone as there may be traffic delays.

TO LEARN MORE

If you have questions about the project or need special assistance, please call the 24-hour construction hotline at (602) 264-6416. Or, you also can visit <http://www.glendaleaz.com/improvements> for project updates. If you would like to receive project email updates, please email info.p1parking@gmail.com.

Thank you for your patience and cooperation during this improvement effort.
